PNC Bank Supports Goodwill

PNC Bank recently awarded a \$10,000 grant to Goodwill Industries of Northeastern Pennsylvania to help fund improvements to our existing Community Participation Supports (CPS) program space in Dickson City. The funding will help us replace existing flooring to create a safe and accessible space that improves mobility for individuals with intellectual and developmental disabilities. Work to replace the flooring is expected to begin soon and we'll be sure to share photos of the renovated space in a future newsletter. Thank you, PNC Bank!

CPS Shows off their Creativity
 Color us impressed! Our talented Community Participation Supports crew showed off their creativity by creating a fall themed window painting.

Employment Summer Camp
 Goodwill of NEPA was excited to host our second group of students from Lackawanna County high schools who participated in our month-long Employment Summer Camp. Supported by the Office of Vocational Rehabilitation, students learned how to obtain and maintain employment and took tours of local workplaces and job shadowed. Thank you to our friends at PennDOT District 4, Jerry's for All Seasons, Regal Movies, and the Scranton Police Department for hosting us for tours! Check out some [photos](#) from camp.
