☐ Celebrating a Decade of Success: Natalie K. ☐

Helping individuals with disabilities or other barriers find meaningful employment is at the core of what we do at Goodwill Industries of NEPA. This month, we're celebrating a true example of our mission in action: Natalie K.

For over 10 years, Natalie has been a housekeeper with Service Management Systems at the Viewmont Mall. With a strong work ethic and a heart for teamwork, she jumps right into her duties and goes above and beyond, training new hires and setting up carts for her coworkers to ensure their success. Known and appreciated by store staff and mall patrons alike, Natalie's commitment and leadership make her an invaluable part of the team, and her decade of service is a shining example of reliability and pride in her work. Way to go, Natalie!
