Support Goodwill during NEPA Gives

For more than 80 years, Goodwill Industries of NEPA has built a strong legacy of helping people with disabilities or other barriers become self-sufficient in their lives. Revenue from our retail locations help individuals by providing education, career training, job placement, socialization, re-entry assistance, and more. Proceeds from sales help us provide services, but unfortunately don't cover the full cost of our services.

Please consider supporting Goodwill Industries of NEPA during NEPA Gives on June 4-5 from 7pm-7pm. Gifts made during this online day of giving will help us create a community where everyone thrives. [Donate](#) and make a difference right here in our NEPA community!

Peoples Security Bank and Trust supports Goodwill

Goodwill Industries of NEPA received \$1500 in grant funding from People Security Bank and Trust to support improvements to its Community Participation Supports (CPS) program.

The funding will help Goodwill upgrade technology and purchase a SMART board to support digital literacy opportunities and provide a visual support strategy for individuals with intellectual and developmental disabilities who participate in CPS programming.
